

YOUR PERSONAL **5** YEAR GUARANTEE

Your protection and peace of mind

We recognise that implant dentistry represents a significant financial outlay for patients and we want to offer you extra reassurance that you won't incur any expensive remedial costs in the event of unforeseen complications or accident by including our 5 year guarantee as standard for all our patients.

Guarantee overview:

- Protection from start of treatment
- Covers cost of any remedial work
- 5 years protection for your implant
- 5 years protection for complications with your restoration
- Covers accidental damage
- Part of a responsible aftercare plan

Restoration means implant supported crown, bridge or denture

Backed by insurance.
